I confirm that I am on the Lympstone Electoral Role & that my main residence lies within Lympstone Parish.

I confirm that any & all of my vessels kept on Association property are now & always will be insured for third party risks.

I confirm that I understand & agree that the Association accepts no liability whatsoever for the security of any property kept within the precincts of its land or for any damage, howsoever caused, to any such property.

I agree to read & abide by the Rules of the Association when I receive them and if my application for membership is endorsed

Each licenced vessel must display its unique LFHA-issued current year sticker at all times

I agree to remove all ground anchors & mooring tackle at the end of the licence

I agree that no new mooring is to be laid without the specific agreement of the Association's Moorings Officer. I also acknowledge that concrete block or cast "plug" anchors cannot be used within Association property but that only steel mud anchors fully dug into the fundus are permissible

As a member I am expected to:

- comply fully with all the rules
- pay dues on the due date
- inform the Board, in advance, of any changes I may wish to make to the arrangements for which I am licensed (i.e. to the licensed vessel or it's mooring or for the use of temporary or emergency facilities)
- help whenever possible with working parties
- regularly read the noticeboard

I accept the above 5 expectations
